<b>Day 2: 18 May 2022 (TBC)</b>		
<b>Session #</b>	<b>Time</b>	<b>Session Title</b>
8	9:30-9:45	<b>Welcome and recap of day 1</b>
9	9:45-11:15	<p><b>Understanding the current development cooperation landscape: Challenges and opportunities for enhancing data systems to respond to new and emerging risks</b></p> <p><i><b>(co-organized with UN DESA Financing for Sustainable Development Office)</b></i></p> <p>The session will begin by providing an overview of the latest trends and progress of international development cooperation, and the recommendations of the DCF Survey Study on development cooperation information systems. In this context, the session will be designed as an interactive discussion to meet countries where they are, understand how their development cooperation data systems are currently structured and link to policies and strategies, as well as identify how development cooperation can build on existing strengths to address capacity gaps. Discussions will also explore different tools and innovative practices countries are using to navigate their data challenges. Discussions will take place under Chatham House Rule. Summaries of small group discussions will help inform future DCF-related activities.</p>
-	11:15-11:30	<b>Coffee break</b>
10	11:30-1:00	<b>Presentations on the use of IATI data in the partner country</b>

		<p><b>government context</b></p> <ul style="list-style-type: none"> <li>• Government of Chad (TBC);</li> <li>• Government of Nigeria (TBC);</li> <li>• Q&amp;A;</li> <li>• Brainstorm / discuss additional use cases that would support the use of IATI data in focal points' own country context.</li> </ul>
-	1:00-2:00	<b>Lunch</b>
11	2:00-3:15	<p><b>Presentations on the use of IATI data in AIMS</b></p> <ul style="list-style-type: none"> <li>• Overview of the various tools that are currently available / being implemented to import IATI data into Aid Information Management Systems (AIMS) or tools that enable partner country data use, with presentations from colleagues who have developed or manage the tools (TBC).</li> </ul>
12	3:15-4:15	<p><b>Moderated discussion on opportunities and challenges with AIMS integration</b></p> <ul style="list-style-type: none"> <li>• Brainstorm with focal points on challenges and solutions to AIMS integration.</li> </ul>
