

INTERNATIONAL BUSINESS FORUM

30 June - 3 July 2025, Seville, Spain

The Fourth International Conference on Financing for Development (FFD4) is once-in-a-decade opportunity to realign finance, make an urgent SDG investment push, and reform the international financial architecture. The [International Business Forum](#) will take place at FFD4.

- Engage with Heads of State, Ministers, heads of international finance organizations, and other CEOs and prominent business leaders.
- Shape global **norms, policies and regulatory frameworks**.
- Learn about **investment opportunities** in infrastructure, energy and transition finance.
- Showcase your initiatives, projects and commitments as part of the **Seville Platform for Action**.

For the first time, **all major business organizations and initiatives have come together under one umbrella** as the FFD4 Business Steering Committee to organize the International Business Forum:

- International Chamber of Commerce
- Global Investors for Sustainable Development (GISD) Alliance
- UN Global Compact
- UN Principles for Responsible Investment
- UN Environmental Program- Finance Initiative
- World Economic Forum
- Business 20 (B20)
- Glasgow Financial Alliance for Net Zero
- Sustainable Markets Initiative
- Investor Leadership Network
