ante Naciones Unidas*

[COURTESY TRANSLATION]

The Permanent Mission of Spain to the United Nations presents its compliments to the Permanent Missions of Member States and Observers to the United Nations, and, in relation to the Fourth International Conference on Financing for Development (FFD4), scheduled to take place in Seville from 30 June to 3 July, has the honour to inform that a note containing practical and logistical arrangements for the Conferences will be sent out shortly. The following email address has been created for further information: [spainffd4@presidencia.gob.es](mailto:spainffd4@presidencia.gob.es)

Given that Spain, including Seville, is a highly popular tourist destination, especially in the summer, delegations are strongly advised to make their reservations for accommodation as soon as possible, in order to guarantee rooms at reasonable commercial rates.

The host country will neither cover the accommodation costs of official delegations, nor manage hotel reservations.

Spain has secured a list of hotels in Seville offering available rooms at reasonable commercial rates for delegates, subject to their respective offer availability. The list is attached. While this list provides a large array of hotels and accommodation locations, it should not be seen in any case as an exclusive one. Delegations may want to reserve in any of the multiple accommodation venues in Seville.

The Permanent Mission of Spain avails itself of this opportunity to renew to the Permanent Missions of Member States and Observers to the United Nations the assurances of its highest consideration.
