

GLOBAL CITIZEN.

GOBIERNO
DE ESPAÑA

Your Excellency,

On behalf of [Global Citizen](#), world's largest international advocacy organization, in collaboration with the Government of Spain, we are delighted to invite you to Global Citizen NOW Sevilla – a thought leadership event on the margins of the Fourth International Conference on Financing for Development (FfD4).

Global Citizen NOW has become a recognized model for high-impact convenings, taking place over the years on the margins of major multilateral moments – from New York to Melbourne, Rio de Janeiro, and now, for the first time, Seville. These gatherings have brought together Heads of State and Government, leading advocates, C-suite executives, philanthropic leaders, and policy champions, all united by a shared commitment to driving real-world impact on the world's most urgent challenges.

[GC NOW: Sevilla](#), co-hosted by the Government of Spain on the eve of FfD4, will take place in the afternoon of Sunday, June 29, 2025, at the [CaixaForum](#) Seville. Set against the backdrop of the FfD4 Summit, this high-level event will serve as a strategic moment to drive commitments, elevate key policy campaigns, and shape the global conversation on development and climate financing.

Financing for Development in Seville will be a once-in-a-decade opportunity to drive a transformative global financial agenda that remains relevant beyond 2030. Featuring **H.E. Gaston Browne, Prime Minister of Antigua and Barbuda; H.E. Mia Mottley, Prime Minister of Barbados, Maria Fernanda Espinosa, Former President of the United Nations General Assembly, H.E. Alexander de Croo, Former Prime Minister of Belgium, Alvaro Lario, President of the International Fund of Agricultural Development (IFAD), Ambassador André Corrêa do Lago, President-Designate of COP30 and Brazil's Climate Ambassador; Prof. Laurence Tubiana, CEO of the European Climate Foundation and the co-lead of the Global Solidarity Levies Task Force Secretariat**, and more, GC NOW Sevilla will catalyze the policy momentum and critically assess how international development cooperation can remain impactful in a shifting geopolitical and economic landscape.

You and your delegation are encouraged to express your willingness to attend by filling out this [form](#). Should you have any queries please contact Mr. Tumasie Blair at tumasie.blair@globalpovertyproject.com
