Excellency,

In our capacity as Co-Facilitators of the Outcome Document of the Fourth International Conference on Financing for Development (FfD4), we would like to provide an update ahead of the first intersessional with PR-level general comments and line-by-line text-based negotiations on First Draft Outcome which was published on March 10.

In line with the Negotiation Roadmap, we are scheduled to convene the first intersessional with the PR-level general comments on March 24 and line-by-line text-based negotiations from March 25 and continue until April 4. However, we have received a request from the Group of 77 and China for the postponement of the first intersessional for two weeks to provide the Group with more time for further consultations in the Group.

Considering the high importance we attach to the engagement with member states, group of member states and stakeholders, we have agreed to commence the line-by-line text-based negotiations on the First Draft Outcome on April 1 and continue until April 8 (both AM and PM) while the PR-level general comments will be held on March 24 at 3 PM as planned. Meanwhile, we appreciate your understanding that this may have an impact on the negotiation roadmap for the outcome document of FfD4 and its modalities.

Please accept, Excellency, the assurances of our highest consideration.
